

Youth Council Minutes

October 6, 2010

Present: Kate McGee, Jon Farrell-Higgins, Anna Ahrens, Shane Ahrens, and Eric Hampton.

Anna opened the meeting with prayer.

Shane kept minutes.

Congregational Life Cycle Activity: Using the bell curve from the long-range planning Session liaison, the youth marked on the life cycle where they felt Trinity was and discussed it.

Room Renovations: Kate asked the YC what Wii games they were interested in, and the Wii Resort Sports was named, with possibly Mario Kart and Rock Band to come later. Kate is hoping to have the Wii and possibly a new TV by the lock-in.

Lock-in Planning: Kate proposed opening the lock-in with snacks/pizza/mini-worship, to be followed by organized games and Wii time. Later we will play sardines and watch movies. It was also proposed to do a mission project, like baking cookies for the elderly or shut-ins.

Advent Skit: YC wants it to be funny. Karen said the children had not selected their program yet, so more on this was put off until the lock-in or next YC meeting.

Bible Study starts TUES OCT 12.

YC Homework: Check out the updated youth part of the website at www.trinitypresbyterian.net/youth, and email Kate with any suggested changes.

Spring Planning: Youth Sunday date is set for January 30, with maybe one planning meeting in December and the other Sundays in January used for rehearsal. To see the updated spring calendar, go to the youth website and click on calendar.

FAST: has invited the youth group to pair up with one or two elderly members in the church and help them twice a year with things like changing light bulbs. YC would like to send a representative to the meeting on Nov 1; Kate will follow-up and find someone to go.

Next meeting was moved to **Nov 10 at 6:30 pm.**

Eric closed the meeting with prayer.
